Newspaper „Swisscor daily“ & Swisscor movie

Hello dear guests of the Swisscor camp 2006

We proudly present the first issue of our internal newspaper „Swisscor daily“.
We hope you will enjoy it!

*The soldier is having a break.
Maybe he rings his wife or his
girlfriend?*

*A film is being made by some soldiers.
It will be shown soon.*

*We clean almost everything in and round the camp.
Our shoes in particular...*

*There is an overview of the location
where this year's camp is taking place*

*All soldiers are listening to detailed information
about the camp given by the camp leader.*

*Bikes are called "Velo" in Switzerland.
This is over hundred years old
but still in move!*

*You can find some strawberries
and flowers behind the camp.*
